

CRISIS MANAGEMENT CENTRE CMC FINLAND

CMC Finland was founded in 2007 and it operates in conjunction with the Finnish Ministry of the Interior. Its mandate is based on *Act on the Participation of Civilian Personnel in Crisis Management (2004/2018)*. CMC Finland is tasked to carry out training, recruitment and duty of care activities for Finnish civilian experts deployed to international peacebuilding operations and missions (EU, UN, OSCE). In addition, CMC Finland conducts situational awareness, research and development activities to further enhance the national capabilities.

EXPERTS

Finland deploys various professionals to international tasks. The tour of duty usually lasts 1 - 3 years. In the Government Programme (June 2019) the strength of civilian experts was set to **150** on annual basis.

Gender distribution of deployed experts 2007 - 2018 (a total of 567)

Average age of experts (while in operation): 44,95 years.

Finnish participation to international operations and missions (June 2019: 117 experts)

CMC Finland also deploys experts to various secretariats. For example: OSCE, European External Action Service, Council of Europe, UN Women, Nato, East Africa Standby Force, Kosovo Specialist Chambers.

EFFECTIVENESS

In terms of population, Finland is one of the largest contributors to EU civilian CSDP missions. CMC Finland has become a major national and international player in training, recruiting and deploying civilian experts.

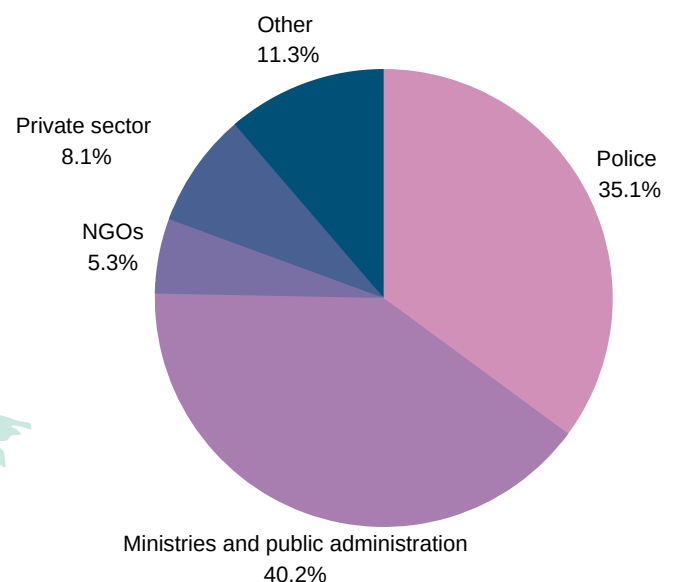

A total of 2 751 experts have been trained by CMC Finland in 2008 - 2018. In 2018 the proportion of selected candidates of all the nominees was 36 %.

Budget lines 2019
