The incumbent also assists other SPC members as directed in other law enforcement thematic areas outside his/her own area of focus. S/he develops annual SPC workplans in line with Results Based Budgeting (RBB) and assists members with developing individual workplans. S/he also prepares brief country reports and security analyses of the mission areas to which the SPC is being sent. When deployed in the field, the incumbent reviews UN Police operations and analyses the state of development of national law enforcement agencies with a view to facilitating required improvements and changes in ConOps and IMIPs, bearing in mind the strategic mission of the UN Police, which is to build institutional law enforcement capacity in conflict and post-conflict environments.
